PERSONAL PROJECTS

Film Competition Kominfo 2019
- This film was made in 2019 in order to participate in a competition held by the Ministry of Communication and Information with the theme "Temanggung Gandem Tanpa HOAX" so that people in Temanggung can know and distinguish which news is fake and which is genuine.

Film School Competition 2019
- This film was made when there was an event from the school holding a film competition to be submitted to the provincial level, but unfortunately this film did not get a rating because the film tells the story of the murder of one's own friend.
